ABOUT US

Luxota is a leading travel technology company specializing in innovative software solutions for the travel industry including agencies, airlines and airports

Who We Are

We are a software company specialist in Travel industry only, established in 2014 with the headquarter in UAE, Dubai with offices in Middle East, Levant and GCC. Our team are fully trained and IT professions and with being a decade in industry, fully knowledgeable about travel industry needs and process. in Asia and Africa using our consultancy and platform to jump their business.

Luxota helps small and medium travel agencies by offering the product of OTA platform 10-in-1 for automated the operational and internal process along with sales platform on web and application. Luxota also highlights the empowering the agencies to increase the profit by using his platform through regular consultancy meetings with the clients. Empowering the agencies to rise maximum growth financially by adopting IT solutions is the main mission of the company and hundreds of agencies.

OUR VISION

Luxota envisions becoming the **world's largest collaborative network** for the seamless **supply and distribution of travel content**, revolutionizing the global travel industry by bridging the gap between suppliers and sellers. We strive to foster a dynamic ecosystem that connects online and offline travel services, enabling unparalleled access, interaction, and growth for all stakeholders.

OUR MISSION

To realize this vision, Luxota is driven by four strategic pillars:

- **Expanding Supply Networks:** Connect with a broad range of online and offline suppliers to provide comprehensive travel content.
- **Empowering Sales Channels:** Enable agencies to sell through dedicated websites, mobile apps, and white-label solutions, engaging small agencies and independent professionals.
- **Pioneering Travel Technology:** Offer a complete solution through the 10-in-1 OTA Platform, ShareHub, and API-IN-OUT integration to ensure seamless connectivity and infrastructure.
- **Fostering Knowledge and Growth:** Enhance agency capabilities with OTA training (OTA Insight) and growth programs (GrowthPlan) for sustainable development.
